VALVES AND CONTROLS, LLC

Product Line Card

FLSmith/Techequip

Heavy Duty Slurry Knife Gate Valves, Wide Pattern, Wafer Body (per MSS-SP81) and High Pressure Designs for Abrasive, Corrosive and Dense Solids Applications

Fabricast Valve

Metal and Perimeter Resilient Seated Knife Gate Valves, Fabricated Knife Gate Valves, Slide Gate Valves, Polymer Lined Knife Gate Valves, AIS Compliant Available

Champion Valves Inc

Wafer Style Check Valves, Dual Disc & Single Disc with Optional External Devices, Rubber Lined, Axial Flow, API6D Thin Pattern, and Silent Center Guided Check Valves

Taylor Valve Technology/Rupture Pin

Taylor Quality API & ASME Safety Relief Valves, Back Pressure Regulators, Choke (Throttling) Valves, Unique Gauge Plug and Probes, Rupture Pin Highly Accurate Safety Relief Valves and Buckling Pin Emergency Shutoff Valves, Mallard Control Products

SCV Valve

API 6A & 6D Trunnion Mounted Ball Valves, Thru Conduit and Slab Gate Valves, Full Port Swing Check Valves, Piston Check Valves, Pressure Balanced Lubricated Plug Valves

NAMCO

Heavy Duty Industrial Limit Switches, Explosion Proof Limit Switches, Proximity Sensors, Solenoids, and Operating Levers

Bray/Flow-Tek

One, Two, Three Piece and Multi-Port Ball Valves, V-Port and Segmented Specialty Control Ball Valves; Actuation, Controls and Accessories

Chicago Valves & Controls

One, Two, Three Piece and Multi-Port Ball Valves; Resilient Seated Butterfly Valves; Cast Steel and Stainless Steel Gate, Globe and Swing Check Valves; Forged Steel CL800 Gate, Globe and Swing Check Valves, Actuation and Accessories

J-Flow Controls

One, Two, Three Piece and Multi-Port Ball Valves, Metal Seated Ball Valves; Resilient Seated, Double Offset, Triple Offset and AWWA Butterfly Valves; Rotary Globe and Segmented Control Valves; Actuation, Controls and Accessories

Victaulic

Grooved End Couplings, Fittings and Valves

Pratt Industrial

Perimeter Seated, Double Offset and Triple Offset Butterfly Valves, Elastomeric, Polymer and Metal Seats; Actuation, Controls and Accessories

Swissfluid

Polymer Lined Butterfly Valves, Ball Valves, Cylindrical Plug Valves, Diaphragm Valves, Sight Glasses, Ball Check Valves, Various Sampling Valves, Actuation and Controls

Ladish Valve

Stainless and Special Alloy Gate, Globe and Check Valves in Flanged Ends, Stop Check Valves, Cryogenic Service Valves

Smith Valves

Forged Steel and Stainless Steel Gate, Globe and Check Valves, CL800 to CL2500, Y-Pattern Globe Valves and Bellows Seal Valves

PS Automation

Linear Electric Actuators, Quarter Turn Electric Actuators, Smart Electric Actuators, On/Off and Modulating, Robust Yet Compact Design

H-TEC

Polymer and Stainless Body Infinitely Variable Orifice Combination Air Release and Vacuum Breaker Valves, Variable Orifice Valve

Proco Products

Wide Variety of Spool Type and Molded Rubber Expansion Joints, Teflon Expansion Joints, ProFlex Rubber Duckbill Style Check Valves, Pen-Seal Pipe Penetration Seals

Elasto-Valve Rubber Products

Manual and Control Pinch Valves, Air Jacket Pinch Valves, Rubber and Teflon Expansion Joints, Rubber Hose Connectors, Rubber Elbows and Hoses

Larad

Quarter Turn Pinch Valve with Composite Bodies, Isolators for Slurry Pressure Sensing

Easytork

Pneumatic SPRINGLESS Fail Safe and Double Acting EVA Series Vane Actuators, Proprietary Solenoid Valves Allow for Easy Change from Double Acting to Fail Safe Actuator Operation, Manual Gear Overrides, Open/Closed Safety Lockout Devices

Indelac Controls

Electric Quarter Turn Actuators for On/Off and Modulating Applications, Spring Return and Battery Backup Options Available, Wide Range of Control Panels

Rotork

Instrumentation and Control Actuation Accessories – Positioners, Limit Switches, Filter/Regulators, Solenoid Valves

VanAire

High Quality Valve to Actuator Mounting Kits, Open and Closed Safety Lockout Kits, Custom Fabricated Mounting Products and Adapters
